

## **Mennonite Church USA**

### **Anti-racism Training**

Mennonite Church USA (MC USA) is introducing a new anti-racism resource for congregations. This resource is developed by Tobin Miller Shearer, founder of [Widerstand Consulting](#). Fifty percent of all training fees go to black-led anti-racism groups (including [Roots of Justice](#)).

The tutorials offered are:

*Dismantling Institutional Racism in Congregations*

*How to Debrief Anti-racism and Move your Congregation Forward*

*How to do a Congregational Anti-racism Audit*

*How to transform backlash into buy-in in Congregations*

The cost for the entire suite of tutorials for a full year's license is below. The costs are reduced for MC USA congregations, so in order to get the discounted cost please use this [Congregation Pricing link](#) to access the site.

100 or fewer members - \$250 for a full year's license
