

Dear PeaceMail subscriber:

Please read this important message to ensure that you keep receiving PeaceMail!

On May 1, 2023, we will be changing our email address for our email marketing communications. Going forward, PeaceMail will be sent from our new email address, which is [EBComm@Communications.MennoniteUSA.org].

Why this is necessary: This change will improve our email deliverability rates and ensure that our emails do not get lost in your spam or junk folder. Please note that this change does not affect our web site or our staff emails. They will remain the same.

What you need to do: Please check to see if you are not receiving our email communications (now and again after May 1). If you aren't receiving them, it's possible that they may be getting filtered into your spam or junk folder. We recommend checking these folders to see if our emails have been mistakenly marked as spam.

If you do find our emails in your spam or junk folder, please mark them as "not junk" or "not spam." This will help ensure that our future emails are delivered directly to your inbox.

To mark our emails as "not junk" or "not spam," please follow these simple steps:

1. Locate the email in your spam or junk folder.
2. Click on the email to open it.
3. Look for the option to mark the email as "not junk" or "not spam."
4. Click on this option to indicate that the email is safe and should be delivered to your inbox.
5. If prompted, confirm that you want to move the email to your inbox or add the sender to your contacts.

By marking our emails as "not junk" or "not spam," you can help ensure that you receive our important communications and stay up-to-date with our latest news and promotions.

Thank you!
