

## Giving to Mennonite Church USA

The following numbers only reflect congregational and area conference giving to Mennonite Church USA Executive Board (MC USA EB). We have developed a giving guide to help you better understand our work and your options to give. Your financial support allows us to continue to work on your behalf to fulfill the mission of MC USA. Whether it is Racial/Ethnic Engagement, Church Vitality or Transformative Peacemaking, including Creation Care and the Justice Fund, it takes money to operate our programs. You may choose to support MC USA by supporting our area conferences and agencies as a whole, or by supporting specific programs that resonate with your values—but support is needed. Mennonite Church USA and its programs will not survive without the support of our members.

After the previous large decline in congregational and area conference giving, giving in the last 3 years seems to have leveled off. Congregational giving makes up a greater percentage of donations versus gifts from conferences. Individual giving has increased.

## How does your area conference or congregation give?

Financial Giving to MC USA EB and our program agencies can happen in any of the following ways:

1. Area Conferences send donations based on their annual budget.
2. Area Conferences send any “earmarked” donations they receive from congregations.
3. Congregations and individuals send donations directly to the Executive Board and/or the program agencies.

Checks written out to MC USA will be credited to Executive Board unless church-wide formula is clearly indicated in the memo line or check stub.

To be good stewards and to be responsive to changing giving patterns, our staff and agency leaders are looking at ways to be leaner and more efficient as we operate. Our effectiveness as a denomination will be measured by the generosity of our members. Our challenge as denominational leaders is to earn that generosity by equipping our leaders, fulfilling our mission and leading in a way that is transformative.

Fundraising will need to be a priority for the Executive Board staff as we continue in our leadership roles on behalf of the denomination. We encourage individuals, congregations and conferences to continue to support ministry at all levels as we seek to bring healing and hope to the world.
