

# What can a wellbeing specialist do for me?

“I liked that my wellbeing specialist helped me set goals and that they will be checking in with me to see that I am staying on track. Their personal touch represents to me the wider care of the denomination for my wellbeing as a pastor.”

- Pastor

## Live a healthier, fuller life!

Partner with a wellbeing specialist – to set goals, overcome obstacles and try out new ideas along the way. A confidential conversation with a wellbeing specialist is available to you free, thanks to the Wellness Incentive Program of the Corinthian Plan.
