For the fiscal year spanning **August 1, 2023, to July 31, 2024**, the most recently audited period, Mennonite Mission Network recorded total expenses of \$7,191,000. Financial statements indicate contributions of \$1,636,000 from congregations, \$1,522,000 from individual donors and \$823,000 designated for MST partnerships. To address the shortfall in meeting these expenses, \$2,218,000 was withdrawn from bequest funds, in alignment with the organization's investment policy.

Amid ongoing domestic and global economic uncertainties, Mission Network remains steadfast in its commitment to prudent resource management. We continuously evaluate and adjust expenditures, pursue cost-saving measures and review investment strategies to optimize returns. As we prepare for the 2025/2026 fiscal year, Mission Network is resolute in its dedication to faithfully stewarding the generous contributions entrusted to us.
